Agenda

Time	Topic, Objective, & Description	Notes/Materials
12:00 (15)	<p>Welcome & Setting the Stage</p> <p>Description: To start this meeting, CPS staff will provide updates regarding work to implement the CIDT policy to date and district priorities, and will revisit the metric development cycle to situate the day's work.</p>	
12:15 (15)	<p>Norm setting</p> <p>Objective: Establish norms that facilitate constructive and productive review of metric proposals.</p> <p>Description: CPS staff will highlight proposed norms to guide the meeting. ATAG members will have an opportunity to comment on and offer additional norms for consideration.</p>	
12:30 (15)	<p>Orientation to the Metric Review Process</p> <p>Objective: ATAG members and guest subject matter experts (SMEs) will understand the task and process for the day, and how to use the review tool to capture their recommendations and questions that will inform future iterations of metric proposals.</p> <p>Description: Center staff will orient ATAG members to the resources available to support the metric review and feedback process: reimagining metric proposals, existing metric information sheet, stakeholder feedback, and the metric review tool.</p>	Technical Advisory Group Proposals*

	CPS will clarify the role and purpose of the ATAG in this process.	
12:45 (70)	<p>Metric Review, part 1</p> <p>Objective: ATAG members will document recommendations and considerations for continued work on the first of three CIDT metrics: chronic absence. One-year dropout rate and four-year graduation rate discussion will follow later in the meeting.</p> <p>Description: Center staff will briefly describe the review process for ATAG members. After members have an opportunity to review and/or document their individual feedback on the chronic absence metric, they will divide into two groups to discuss and document their group-level feedback. All ATAG members are reviewing the chronic absence metric proposal.</p>	Chronic Absence Proposal and Feedback Sheet*
